Please provide all requested, applicable information listed in Table 1 or 2 of the 2017 Lake Tahoe License Plate Program Grant Proposal Requirements. In addition, please thoroughly review all other sections of the 2017 Lake Tahoe License Plate Program Grant Procedures for evaluation criteria, requirements of grant recipients, match requirements and acceptable uses of grant funds.

Funds can be provided for programs such as (but not limited to) implementation projects to improve the environment (ex: water quality improvements, recreation features, etc.), educational programs, research and monitoring.

Please note: Proposals including the implementation of construction projects listed on the TRPA 5-year EIP list will again be prioritized this funding round. Also note, the maximum indirect cost rate accepted for reimbursement is not to exceed forty percent (40 %).

Through coordination with the Tahoe Science Consortium (TSC), All monitoring and research proposals will be peer reviewed through the Tahoe Science Consortium and using the Technical Review Criteria provided in Attachment B of the 2017 Lake Tahoe License Plate Program Grant Procedures.
